AUS is now AEREO (Aarav Unmanned Systems Pvt Ltd)

Hiring for Software Development Intern (Backend) | **AEREO**, Bengaluru

A great opportunity for students and fresh graduates who enjoy building real-world software, not just learning theory.

At **AEREO**, interns get the chance to work on production systems involving:
Python, Django & FastAPI
REST APIs & Backend Development
Authentication & Security Workflows
Cloud Infrastructure & Microservices
Git/GitHub & Modern Engineering Practices

What makes this unique?
Instead of only reviewing resumes, AEREO has designed practical engineering assignments where candidates can showcase their problem-solving and coding skills.

📍 Location: Bengaluru (In-Office)
⏳ Duration: 6 Months
🎯 PPO Opportunity based on performance.
